EDDY COLLECTION

This book at the end of every school year brings us to reflect upon the outstanding events. In doing so, we many times forget the day to day happenings that are we call the typical or ordinary. We cannot always excell at everything we do, but we can always do as well as our capabilities will let us, if we only will. Remember, that many first place teams or persons got there because some second place teams or persons tried so hard that the first place team was literally pushed there. It is no disgrace to not be first; the disgrace is only if we did not do our best.

I would like to dedicate this yearbook to those pupils who most always were on the job, most always on time, most always were good citizens and always gave their very best effort.

Sincerely,

Robert H. Speer, Principal

BIG SHOW

This years Big Show envolved more than 100 students both on stage and behind the scenes. Some of the high spots in the show were: Clarence Gilyard rocking an original tune called "Train Stop" on the harmonica, the Reynolds sisters doing an original, "I Love You", in their own talented way, and Burkas Williams and Elizabeth Rencher tickling the piano in a way that sounded great. James Carthan fought off Milford Wilson and Gregory Jones in the fight scene. David Taylor brought forth screams as "The Thing From Outer Space". Kenny Longuemire was M.C. and did some clowning with Emmett Christian as "Stage Man".

CHORUS
